Junior runner Alex Braun joins the record breakers

There was an exciting tussle for Male Under 20 honours between Alex Braun and Dan Hayman, with Alex winning out in the end by just 9 seconds finishing in 2 hours 25 minutes 13 seconds for overall fourth place in the Male grade. In the process both went under the old record set in 2021 by Lachie White. Dan finished in 2 hours 25 minutes 22 seconds to finish fifth overall. Wayne Porteous defends his Guru Title

Defending Guru champion Wayne Porteous was the first Guru to finish. He was first in the Male 60+ grade in 3 hours 5 minutes 25 seconds, just an amazing 20 seconds slower than last year in a remarkably consistent performance

The originals from 1984 and 1985

Peter “Transport” Hughes had finished second in the 1985 race and returned 39 years later to run this event again. He was second in the Guru Male 60+ grade in 4 hours 5 minutes 50 seconds, a tad slower than during his glory days. Guru Male 60+ runner Garry Preston ran in the first ever 3 Peaks Mountain Race in 1984 and had run a few times in the 80s and 90s and then retired, but today he returned in the 40th Anniversary of this great race finishing in 5 hours 13 minutes 54 seconds with some facial wounds to show for his brave effort too. Of course we cannot leave out former Leith President and runner and 3 Peaks Mountain Race organiser Steve Smith who finished in a class 3 hours 34 minutes 1 second in the Guru Male 60+ grade

Ruth Croft and Kristy Eyles prove their class

Senior Female 20-34 runner Ruth Croft won the 55km last year, but this year she tackled the shorter 26km distance and her decision and class earned her another win. She was tenth overall in 2 hours 35 minutes 17 seconds and led the female contenders all the way in a dominant win.

Second overall in the Female grade and first in the Masters Female 35-49 grade was last year’s overall female winner Kristy Eyles. Her time of 2 hours 49 minutes 51 seconds was a bit slower than last year, but this was to be expected with the more demanding muddier sections. Fourth female overall and second in the Masters Female 35-49 grade was Agnetha Korevaar in 2 hours 54 minutes 9 seconds.
